## **KEY SURGICAL O.R. PRODUCTS**

Catalog pages 128 - 145

## KEY SURGICAL O.R. PRODUCTS

Key Surgical O.R. Products are designed to offer the highest quality products with a broad selection of sizes and styles. Our line of surgical supplies includes Suture Booties and Vascular Loops, Clamp Covers, Sterile Labels, Time Out Visuals for the Operating Room, Hand Immobilizers, Skin Pens, Basins, Bowls and Cups – in short, everything you need for the O.R.

Key Surgical Suture Booties, Vascular Loops and Clamp Covers are available in a broad range of colors and sizes to fit your particular needs. As always, we package our O.R. products in convenient quantities to help reduce waste and keep costs down.

Key Surgical Sterile Labels are designed to help clearly identify medications, medication containers and other solutions in compliance with JCAHO requirements.

Key Surgical Time Out Visuals are designed to create and reinforce a culture of patient safety in compliance with the JCAHO Universal Protocol. Our visuals prompt all members of the surgical team to take a time out prior to the start of any procedure.

Key Surgical Hand Immobilizers and Skin Pens are a necessity in every O.R. environment. We offer a variety of styles and sizes to meet all of your needs.

Key Surgical Basins, Bowls and Cups are available both in high-quality stainless steel and durable plastic. These products are designed for easy cleaning, easy pouring and greater stability in a variety of shapes and sizes.
